

HS Physio is open but please read and confirm the following before booking an appointment online or contact me on **0732033726** or via info@hsphysio.co.za if you are unsure.

Within 21 days immediately preceding my appointment **I HAVE NOT:**

1. Tested positive or presumptively positive with the Coronavirus or been identified as a potential carrier of the COVID-19 virus
2. Experienced any symptoms commonly associated with the Coronavirus i.e.: **fever ($\geq 38^{\circ}\text{C}$), cough, sore throat etc.**
3. Been in direct contact with or in the immediate vicinity of any person I knew and/or now know to be carrying the Coronavirus

I CAN account for all locations visited over the previous 21 days and shall provide an exhaustive list of all locations visited and modes of transportation used on request.

I AGREE to notify the Physiotherapist of any change in status, including diagnosis with Coronavirus and/or quarantine, within 30 days either before or following this appointment.

I WILL, if asked, **wear a mask** at all times while receiving treatment and will take all reasonable prophylactic steps that may be recommended by the Physiotherapist.

I WILL consent to **having my temperature taken** by any representative of the practice prior, during, and/or after any treatment, and will provide any follow up information reasonably requested by the Physiotherapist.

Due to the nature of the CORONA virus **I ACKNOWLEDGE and ACCEPT** the potential risk of exposure to the virus during my visit at this facility, even with all possible risk has been mitigated by the practice and all precautions as described by law has been put in place.
